“To go in a spirit of prayer from one place to another, from one city to another, in the area marked especially by God’s intervention, helps us not only to live our life as a journey, but also gives us a vivid sense of a God who has gone before us and leads us on, who himself set out on man’s path, a God who does not look down on us from on high, but who became our travelling companion.”

– Pope St. John Paul II
