Fulfilling a need in our community...

St. John the Evangelist Church is providing a quality preschool ministry and services/ education while teaching the Word of God to our children, our most precious "Gifts From God."

- EEC* Certified
- State/City Approved
- COVID-safe environment

*The Department of Early Education and Care is overseen by the Massachusetts Commissioner of Early Education and Care. EEC supports the healthy growth and development of all children by providing high quality programs and resources for families and communities.

The journey is only *In The Beginning* phase...

The resources needed to accomplish our endeavor to provide socially, emotionally, cognitively, physically and spiritually developed children in an authentically Catholic environment where each child develops respect and empathy for self and others, total \$115,000.

These monies allow for the upgrade of existing space to continue to comply with state and local regulations, as well as fund teacher salaries. With continued growth in successive years the preschool will be self-sustaining.

By donating generously to this cause, you will help us inspire, educate, and guide our youth into the future so they will continue to spread the word of God and live His teachings by the example of their lives.
