## **Thoughts from the Rectory...**

Dear friends of St. John the Evangelist,

*Christ is Risen! Alleluia, Alleluia!*

*He is Truly Risen! Alleluia, Alleluia!*

Happy and Holy Solemnity of Pentecost!

Today we celebrate the great mystery and gift that is the descent of the Holy Spirit, the bond of divine love, and the animating power of God's grace given unto us in Christ and His Church!

We become sharers in the intimate union of the Most Holy Trinity, invited to receive a spirit of wisdom and knowledge, counsel and understanding, piety, fortitude, and fear of the Lord. These gifts strengthen us to practice ever greater holiness, grow in reverence for eternal truths, and to participate in more fully in the divine life. They are gifts to equip us in our right relationship with God and our right use of reason.

Pope Francis invites us to reflect on this gift of divine grace ordered towards sanctifying relationships in his homily for Pentecost in 2016

The Spirit is given to us by the Father and leads us back to the Father. The entire work of salvation is one of "regeneration", in which the fatherhood of God, through the gift of the Son and the Holy Spirit, frees us from the condition of being orphans into which we had fallen. In our own day also, we see various signs of our being orphans: in the interior loneliness which we feel even when we are surrounded by people, a loneliness which can become an existential sadness; in the attempt to be free of God, even if accompanied by a desire for his presence; in the all-too-common spiritual illiteracy which renders us incapable of prayer; in the difficulty in grasping the truth and reality of eternal life as that fullness of communion which begins on earth and reaches full flower after death; in the effort to see others as "brothers" and "sisters", since we are children of the same Father; and other such signs.

Being children of God runs contrary to all this and is our primordial vocation. We were made to be God's children, it is in our DNA. But this filial relationship was ruined and required the sacrifice of God's only-begotten Son in order to be restored. From the immense gift of love which is Jesus' death on the cross, the Holy Spirit has been poured out upon humanity like a vast torrent of grace. Those who by faith are immersed into this mystery of regeneration are reborn to the fullness of filial life.

As we celebrate Pentecost, let us stir into flame the gift of the Holy Spirit sealed in us at Baptism and Confirmation. Let us be all the more mindful of Its sanctifying power within us and our capacity to call upon the Spirit of God. Let us know the power of God given to us and engage it for our good and the good of all the world, most especially our families and local communities. Come, Holy Spirit!

*St. John the Evangelist, pray for us!*

## YEAR OF THE EUCHARIST

### SOLEMNITY OF PENTECOST

The worship of the Eucharist outside of the Mass is of inestimable value... It is the responsibility of pastors to encourage, also by their personal witness, the practice of Eucharistic Adoration and exposition of the Blessed Sacrament in particular, as well as prayer of adoration before Christ present under the Eucharistic species... Of all devotions, that of Adoring Jesus in the Blessed Sacrament is the greatest after the sacraments, the one dearest to God and the one most helpful to us.”

This week we are featuring:

Suicide is the second-leading cause of death for youth and young adults. Yet despite the many TV shows, movies, and articles on this topic, suicide, depression, self-harm, and loneliness remain difficult subjects for adults of any age to discuss. Speaking with honesty, humor, and personal experience, Noelle Garcia tackles these issues head-on, encouraging those who are struggling (or know someone who is) that God's mercy and love are waiting for them; that you, and your life, truly matter.

The Music Ministry is pleased to announce its "Hymn of the Month" project! Beginning in June and continuing until Advent, one hymn will be selected as the Hymn of the Month. I hope that over time this will help us to build a repertoire of beautiful, Catholic hymns that we are all confident in singing together!
